

# A world of colour

Not just available in standard white, the Liniar range can be personalised to suit the style of your home - as well as its colour scheme.

Stocked colours are shown larger for reference in the boxes below - but if you're prepared to wait just a little longer you can choose from the whole range in our colour swatch chart.

Please ask your Liniar stockist to see the latest colour swatches for an accurate representation of the colours available.

The colours shown in this brochure give an indication only. No guarantee can be given that they will exactly match the product.

The Liniar colour swatch booklet shows the full range of colours including specials.
